Upcoming Deadlines for the January 31, 2026, Special Runoff Election for State Senate, District 9, for General-Purpose Committees and County Executive Committees

This notice is to remind you of upcoming deadlines *that may apply to you if* your general-purpose political committee (GPAC) or county executive committee (CEC) is involved in the January 31, 2026, Special Runoff Election for State Senate, District 9. All reports listed below are required to be filed with the Texas Ethics Commission (TEC) if the committee accepted political contributions or made political expenditures and/or had other activity in connection with this election. If your committee is not involved in this special runoff election, the runoff report and the daily reports are not required.

JANUARY 15, 2026. Your semiannual campaign finance report must be filed with the Texas Ethics Commission (TEC) no later than January 15, 2026. The first day covered by this report is July 1, 2025, *or* the date your campaign treasurer appointment was filed, *or* the first day after the period covered by the last report required to be filed, as applicable. The last day covered for this report is December 31, 2025.

JANUARY 23, 2026: Runoff Report: A runoff report due eight days before this special runoff election must be **received by** the TEC by January 23, 2026, if the committee has activity in connection with the January 31, 2026, special runoff election during the period covered by the runoff report. The first day covered by the report is January 1, 2026, *or* the date your campaign treasurer appointment was filed, *or* the day after the date your last report ended, as applicable. The last day covered by the report is January 21, 2026.

JANUARY 22 – JANUARY 30, 2026: Daily Pre-Election Report(s): The reporting period for filing daily pre-election reports begins on January 22, 2026, and ends at noon on January 30, 2026. A campaign treasurer of a GPAC or CEC must file one or more daily pre-election reports if the committee is involved in this special runoff election, and if the committee accepts political contributions from a single source that total more than \$7,820 during the reporting period, or makes direct campaign expenditures supporting or opposing either a single candidate that total more than \$2,290 or a group of candidates that total more than \$34,330 during the reporting period. A daily pre-election report must be **received by** the TEC not later than the first business day after the date the contribution is accepted or the expenditure is made that causes the total amount to exceed the applicable threshold. Therefore, you may be required to file more than one daily pre-election report. Any political activity reported on a daily pre-election report must be reported again on the next required campaign finance report.

ELECTRONIC FILING: Campaign finance reports must be filed electronically unless you qualify for the statutory exemption. To be in compliance with current requirements, you must use the campaign finance filing application found at www.ethics.state.tx.us/filinginfo/TECindex.php. If you are
