

On Schedule A(L), you were required to itemize non-caucus member contributions that totaled more than \$90 from one source. (**Remember:** If the caucus accepted contributions **totaling** more than \$90 from one person during the report period, you were required to itemize all of those contributions, even if individual contributions were \$90 or less.) You also had the option of itemizing contributions of \$90 or less from one source. Do not include any itemized contributions in the total entered on Line 1, regardless of amount.

Line 2 – TOTAL CONTRIBUTIONS: Your total contributions include all contributions accepted from both non-caucus members *and* caucus members.

To find the sum of non-caucus member contributions, add the total contributions listed on Schedule A(L) to the amount entered on Line 1. That amount should then be added to the amount of contributions received from caucus members during the report period. (The caucus should maintain an internal list of contributions from caucus members.)

Line 3 – TOTAL UNITEMIZED EXPENDITURES : Enter the total of all unitemized expenditures of \$90 or less in the aggregate to a payee. Do not include any expenditures itemized on Schedule F(L).

On Schedule F(L), you were required to itemize expenditures that totaled more than \$90 to one payee. (**Remember:** If the caucus made expenditures **totaling** more than \$90 to one person during the report period, you were required to itemize all of those expenditures, even if individual expenditures were \$90 or less.) You also had the option of itemizing expenditures totaling \$90 or less to one payee. Do not include any expenditures itemized on Schedule F(L) in the total entered on Line 3, regardless of amount.

Line 4 – TOTAL EXPENDITURES: Add the following:

- (1) the total expenditures listed on Schedule F(L); and
- (2) the amount you entered on Line 3.

Enter that total on Line 4.

Line 5 – TOTAL PRINCIPAL AMOUNT OF ALL OUTSTANDING LOANS: Enter the aggregate outstanding principal amount of all loans accepted by your caucus as of the last day of the report period. This is different from the information reported on Schedule E(L). Only loans accepted during the period covered by the report are entered on Schedule E(L). Include outstanding principal of loans made in this report period as well as outstanding principal of loans made previously.

SCHEDULE F(L): LEGISLATIVE CAUCUS EXPENDITURES – ITEMIZED EXPENDITURES

*These instructions are for the chair of a legislative caucus using SCHEDULE F(L):
LEGISLATIVE CAUCUS EXPENDITURES – ITEMIZED EXPENDITURES.*

Use this schedule only to report information about expenditures made or authorized during the report period.

Itemization: You must enter expenditures made to an individual or entity that exceed \$90 during a report period. If the caucus made more than one expenditure to the same payee, the total of which exceeded \$90, enter each expenditure separately. Although you are not required to do so, you may report expenditures to one person that do not exceed \$90 on this Schedule. If you choose not to itemize expenditures of \$90 and less on this Schedule, you must total all unitemized expenditures and report them on Form LEG, Cover Sheet, page 1, section 9, line 3.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F(L):** After you have completed Schedule F(L), count the total number of pages. Each side of a two-sided page counts as one page.
- 2. CAUCUS NAME:** Enter the full name of the legislative caucus.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. DATE:** Enter the date the caucus made the expenditure. The date of an expenditure is not necessarily the date that goods or services are received. It is the date on which your caucus incurs the obligation to make a payment, as long as the amount of the payment is “readily determinable.” Generally, you know the amount of an expenditure (and therefore it is readily determinable) when the obligation is incurred, but in some cases you may not know the amount until the receipt of a periodic bill. An amount is readily determinable if the vendor can provide the amount at your request.

Example 1: On June 29th, a caucus orders goods or services. On July 16th, the caucus receives the invoice for the goods or services. The date of the expenditure is June 29th, if on that date the vendor can provide the amount the filer will owe the vendor for the goods or services. Filers should request a vendor to provide the amount of an obligation at the time the obligation is incurred.

Example 2: A caucus will not know the amount owed for long distance telephone service until the caucus receives the statement. The date you receive the phone statement is the date of the expenditure for reporting purposes.

- 5. PAYEE NAME:** Enter the full name of the payee. If the payee is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the payee is an entity, enter the full name of the entity.

NOTE: If the expenditure was by credit card, enter the name of the vendor who sold you the goods or services, not the name of the credit card issuer.

6. **PAYEE ADDRESS:** Enter the complete address of the person or entity to whom the expenditure was made.
7. **AMOUNT:** Enter the exact amount of the expenditure.
8. **PURPOSE OF EXPENDITURE:** Enter a brief statement or description of the caucus activity that is conducted by making the expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear.
