## **SCHEDULE F4: EXPENDITURES MADE BY CREDIT CARD**

*These instructions are for general-purpose committees using SCHEDULE F4: EXPENDITURES MADE BY CREDIT CARD. **Note: significant changes were made to Schedule F4 in 2022.***

Use this schedule to disclose information about expenditures you made by a credit card for direct campaign expenditures supporting or opposing either a single candidate that exceed (in the aggregate), or a group of candidates that exceed (in the aggregate). You must disclose expenditures charged to a credit card on this schedule and identify the individual, entity, or vendor who receives payment from the credit card issuer. When you pay the credit card bill, you must disclose the payment to the credit card issuer on Schedule F1 (used for political payments from political contributions).

Do not enter on this schedule: political expenditures from political contributions; or unpaid incurred obligations. (Report political expenditures from political contributions on Schedule F1; report unpaid incurred obligations on Schedule F2.)

For examples regarding the disclosure of expenditures made by credit card, see “Examples: Reporting Expenditures Made by Credit Card.”

**Notice to Candidates and Officeholders:** See the instructions for Schedule F1.

**Itemization:** You must enter direct campaign expenditures made by credit card during a reporting period that exceed \$2,020 in the aggregate to support or oppose a single candidate, or \$30,330 in the aggregate to support or oppose a group of candidates.

If you made more than one expenditure by credit card to the same payee, the total of which exceeded \$2,020 to support or oppose a single candidate, or \$30,330 to support or oppose a group of candidates, enter each expenditure separately. Direct campaign expenditures disclosed on this report must be disclosed again on your next required report.

*Each numbered item in these instructions corresponds to the same numbered item on the form.*

- 1. TOTAL PAGES SCHEDULE F4:** After you have completed Schedule F4, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. TOTAL OF UNITEMIZED EXPENDITURES CHARGED TO A CREDIT CARD:** Do not complete this section. All direct expenditures that meet the thresholds for daily reporting must be itemized.
- 5. CREDIT CARD ISSUER:** Enter the full name of the financial institution that issued the credit card. Use a separate page of Schedule F4 for each credit card used.

**Sections 6 through 9 are used to report information about each itemized expenditure made using the credit card listed in item #5 above.** Each expenditure must have its own entry. If you made more than three expenditures using that same credit card during the period covered by the

report, include additional pages of Schedule F4 and include the name of the credit card issuer in Item 5 on every page. Leave Item 4 blank except for the first page for that credit card issuer.

**6. PAYMENT:**

**(a) Amount Charged:** Enter the exact amount of the credit card expenditure.

**“Expenditure from Corporate Funds” box:** Check this box to indicate an expenditure paid in full or in part from corporations or labor organizations.

**(b) Date Expenditure Charged:** Enter the date you charge the credit card.

Note: There is a special reporting rule for expenditures made by credit card. For reports due 30 days and 8 days before an election (pre-election reports) and for runoff reports, the date of the credit card expenditure is the date the credit card is used. For other reports, the date of the credit card expenditure is either the date of the charge or the date the credit card statement is received. *A filer can never go wrong by disclosing the date of the expenditure as the date of the charge.*

**7. PAYEE:**

**(a) Payee Name:** See instructions for Schedule F1, section 5. Disclose the name of the vendor who sold you the goods or services as the payee, NOT the credit card issuer.

Note: If you made an expenditure for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor of the goods or services. Do not enter the name of the person for whose benefit you made the expenditure. Include that information under section 8, “Purpose of Expenditure.”

**8. PURPOSE OF EXPENDITURE:** This section does not apply to you. You may leave this section blank, or check the “Political” box.

**9. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT**

**CANDIDATE/OFFICEHOLDER:** See instructions for Schedule F1, section 9.

## **SCHEDULE T: IN-KIND CONTRIBUTIONS OR POLITICAL EXPENDITURES FOR TRAVEL OUTSIDE OF TEXAS**

## **ADDITIONAL INFORMATION REGARDING EXPENDITURES**

### **REPORTING TIPS TO AVOID COMMON PITFALLS: OUTGOING EXPENDITURES**

*You can never go wrong by disclosing the date the credit card was charged as the expenditure date.* For 30-day and 8-day pre-election reports, the expenditure date is the date of the credit card charge, not the date of the credit card bill. For all other reports, the expenditure date may be *either* the date of the charge *or* the date of receipt of the credit card bill that includes the expenditure.

*If you make an expenditure for goods or services to benefit another candidate, officeholder, or committee, disclose the vendor who sold you the goods or services as the payee.* DO NOT disclose as the payee the name of the candidate, officeholder, or committee that benefitted from the expenditure. Include that person's name under the purpose description.

*Did a staff worker make political payment(s) out of his or her personal funds?* How you disclose the payment(s) depends on two things: 1) the aggregate total of those payments in the reporting period; and 2) whether or not you reimburse the staff worker in the same reporting period. See Examples: reporting Staff Reimbursement.

## EXAMPLES: REPORTING STAFF REIMBURSEMENT

*This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting staff reimbursements.*

When a staff member makes political payment(s) out of his or her personal funds, how you disclose the payment(s) depends on two things: 1) the aggregate total of those payments in the reporting period; and 2) whether or not you reimburse the staff worker in the same reporting period.

**Example #1:** The payment out of the staff worker's personal funds does not exceed \$5,000 in the reporting period AND you reimburse the staff worker from political funds in the same reporting period – Itemize the payment (if over the \$200 itemization threshold) on Schedule F1 as if you made the expenditure directly to the vendor out of your political funds, with the name of the vendor who sold the goods or services as the payee for the expenditure. **Do not** disclose as the payee the name of your staff worker.

**Example #2:** The payment(s) out of the staff worker's personal funds are over \$5,000 in the aggregate in the reporting period AND you reimburse the staff worker from political funds in the same reporting period – Use a 3-step process, disclosing everything on the same report: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. DO NOT disclose as the payee the name of your staff worker; and (3) On Schedule F1, disclose the payment to your staff worker for the reimbursement of the loan.

**Example #3:** The payment(s) out of the staff worker's personal funds do not exceed \$5,000 in the aggregate in the reporting period BUT you reimburse the staff worker from political funds in a different reporting period – Use a 3-step process, disclosing steps 1 and 2 on the same report and step 3 later, when the reimbursement occurs: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. **Do not** disclose as the payee the name of your staff worker; and (3) When you reimburse your staff worker, if ever, disclose on Schedule F1 of the report covering the period in which the reimbursement occurs the payment to your staff worker for the reimbursement of the loan.

## **EXAMPLES: REPORTING EXPENDITURES MADE BY CREDIT CARD**

*This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting expenditures made by credit card and payments made to credit card companies.*

Keep in mind that this reporting system is not an accounting system and duplication of expenditures is not uncommon when reporting transactions related to expenditures made by credit card.

### **Example #1: Candidate Using Credit Card to Make Political Expenditures and Using Political Contributions to Pay the Entire Credit Card Bill in the Same Reporting Period**

A candidate for elected office uses her credit card to buy \$1,000 in campaign office supplies from an office store. During the same reporting period, the candidate uses her credit card to buy \$500 in political advertising signs from a sign company. During the same reporting period, the candidate makes a single payment from her political contributions account to pay the \$1,500 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which she made the credit card charges and sent the payment to the credit card issuer:

1. The candidate fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The candidate fills out sections 6 through 9 twice, once for the \$1,000 expenditure and again for the \$500 expenditure.
2. For the \$1,000 expenditure, the candidate reports an amount charged of \$1,000 in section 6(a), the date the expenditure was made in section 6(b), and the date the credit card issuer was paid \$1,500 in section 6(c). She identifies the office store in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Office Overhead/Rental Expense,” and the description is “Campaign Office Supplies.” In Section 8 of the schedule, the box for “Political” is also checked.
3. For the \$500 expenditure, the candidate reports an amount charged of \$500 in section 6(a), the date the expenditure was made in section 6(b), and the date the credit card issuer was paid \$1,500 in section 6(c). She identifies the sign company in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising Signs.” In Section 8 of the schedule, the box for “Political” is also checked.
4. For the payment to the credit card issuer: a \$1,500 expenditure is reported on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for credit card expenditures.”

5. Both \$1,500 amounts reported on Schedules F4 and F1 are also included in the appropriate totals sections of Cover Sheet Pages 2 and 3.

**Example #2: Candidate Using Credit Card to Make a Political Expenditure and Using Personal Funds to Pay the Entire Credit Card Bill in the Same Reporting Period**

A candidate for *non-judicial* office uses his credit card to purchase \$3,000 in political advertising materials from a print shop. During the same reporting period, the candidate makes one payment from his personal funds account to pay the entire \$3,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which he made the credit card charge and sent the payment to the credit card issuer:

1. The candidate fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The candidate fills out sections 6 through 9 once, for the \$3,000 expenditure.
2. The candidate reports an amount charged of \$3,000 in section 6(a), the date the expenditure was made in section 6(b), and the date the credit card issuer was paid \$3,000 in section 6(c). He identifies the print shop in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising Materials.” In Section 8 of the schedule, the box for “Political” is also checked.
3. For the payment to the credit card issuer: a \$3,000 expenditure on the “Political Expenditures Made from Personal Funds” Schedule (G). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising materials.” If the candidate intends to seek reimbursement from political contributions, the candidate may also check the appropriate box in Section 6.
4. Both \$3,000 amounts reported on Schedules F4 and G are also included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example #3: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods**

A general-purpose committee (GPAC) uses its credit card to buy \$500 in political advertising in a newspaper. The committee receives the statement from the credit card issuer but does not send a payment until after the reporting period ends. When the committee sends a payment to the credit card issuer, it makes a \$500 payment from its political contributions account.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

1. The GPAC fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The GPAC fills out sections 6 through 9 once, for the \$500 expenditure.
2. The GPAC reports an amount charged of \$500 in section 6(a), the date the expenditure was made in section 6(b), and leaves section 6(c) blank. They identify the newspaper in section 7 as the payee of the expenditure and include their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising.” In Section 8 of the schedule, the box for “Political” is also checked.
3. The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card issuer, the committee’s campaign treasurer would also report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the payment to the credit card issuer:

1. The GPAC reports a \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
2. The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example #4: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods**

A candidate for *judicial* office uses her credit card to buy \$500 in political advertising in a newspaper. The candidate receives the statement from the credit card issuer but does not send a payment until after the reporting period ends. When the candidate sends a payment to the credit card issuer, she makes a \$500 payment from her political contributions account.

To report the credit card charge, the candidate would report all of the following on a campaign finance report (Form JC/OH) covering the period in which she made the credit card charge:

1. The judicial candidate fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The candidate fills out sections 6 through 9 once, for the \$500 expenditure.
2. The judicial candidate reports an amount charged of \$500 in section 6(a), the date the expenditure was made in section 6(b), and leaves section 6(c) blank. She identifies the newspaper in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising.” In Section 8 of the schedule, the box for “Political” is also checked.

3. The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card issuer, the judicial candidate would also report all of the following on a campaign finance report (Form JC/OH) covering the period in which the payment to the credit card issuer was made:

1. The judicial candidate reports a \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”

The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example #5: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Make Partial Payments of the Credit Card Bill in Different Reporting Periods**

A general-purpose committee (GPAC) uses its credit card to buy \$5,000 in political advertising for a mailer from a printing company. The committee receives the statement from the credit card issuer and makes one or more partial payments from political contributions of \$2,000 in that same reporting period. The committee pays the remaining \$3,000 from political contributions to the credit card issuer in a different reporting period.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

1. The GPAC fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The GPAC fills out sections 6 through 9 once, for the \$5,000 expenditure.
2. The GPAC reports an amount charged of \$5,000 in section 6(a), the date the expenditure was made in section 6(b), and reports the date (or dates) during that reporting period on which the \$2,000 was paid in section 6(c). They identify the printing company in section 7 as the payee of the expenditure and include their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising.” In Section 8 of the schedule, the box for “Political” is also checked.
3. The \$5,000 amount reported on “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payments to the credit card issuer, the committee’s campaign treasurer would also report all of the following on a campaign finance report (Form GPAC):

1. For the \$2,000 payment(s) made during the same period that the expenditure was made, the GPAC reports a \$2,000 expenditure on the “Political Expenditures from Political

Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”

2. For the \$3,000 payment made during a different reporting period, the GPAC reports a \$3,000 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
2. 3. The \$2,000 and \$3,000 amounts reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3 for each reporting period.
