15. MODIFIED REPORTING DECLARATION: Sign this option if the specific-purpose committee wishes to report under the modified reporting schedule. To the left of the signature, enter the year of the election or election cycle to which the selection of modified reporting applies.

The committee’s selection of modified reporting is valid for an entire election cycle. For example, if the committee chooses modified reporting before a primary election, the selection remains in effect for any runoff and for the general election and any related runoff. The committee must make this selection at least 30 days before the first election to which the selection applies.

A specific-purpose committee that supports or opposes an opposed candidate or a measure in an election is eligible to report under the modified reporting schedule if the committee does not intend to accept more than \$1,010 in political contributions or make more than \$1,010 in political expenditures in connection with an election. A specific-purpose committee that reports under the modified reporting schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (*Note:* a specific-purpose committee that supports or opposes an *unopposed* candidate is not required to file pre-election reports in the first place.) The committee campaign treasurer’s obligation to file semi-annual reports, special pre-election reports, or special session reports, if applicable, is not affected by selecting the modified reporting schedule.

The \$1,010 maximums apply to each election within the cycle. In other words, the committee is limited to \$1,010 in contributions and expenditures in connection with the primary, an additional \$1,010 in contributions and expenditures in connection with the general election, and an additional _____ in contributions and expenditures in connection with a runoff.

Exceeding _____ in contributions or expenditures. If the committee exceeds \$1,010 in contributions or expenditures in connection with an election, the campaign treasurer must file

according to the regular filing schedule. In other words, the committee's campaign treasurer must file pre-election reports and a runoff report, if applicable.

If the committee exceeds either of the \$1,010 limits *after the 30th day before the election*, the campaign treasurer must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, the campaign treasurer must file any pre-election reports or runoff reports that are due under the regular filing schedule.

The selection is not valid for other elections or election cycles. Use the AMENDMENT form (ASTA) to renew the option to file under the modified reporting schedule for a different election year or election cycle.
