(b) If the executive director determines that a request for an opinion meets the requirements of this chapter as set forth in subsections (a)(1)-(3) of this section, the executive director shall assign an AOR number to the request. The executive director shall notify the person making the request of the AOR number and of the proposed wording of the question to be answered by the commission.

(c) If the executive director determines that a request for an opinion does not meet the requirements of this chapter as set forth in subsections (a)(1)-(3) of this section, the executive director shall notify the person making the request of the reason the person making the request is not entitled to an advisory opinion in response to the request.

- (d) If a request for a copy of an advisory opinion request is received, the executive director shall prepare a redacted version of the advisory opinion request by deleting any information that is likely to identify the person making the request. The redacted version of the request shall be provided to the person who requested a copy of the advisory opinion request.

- (c) The commission may, through the approval of its executive director, admit an attorney who is a resident of and licensed to practice law in another state, and who is not an active member of the State Bar of Texas, to represent a respondent before the commission if the nonresident attorney complies with the requirements of Tex. Gov't Code §82.0361 and Rule XIX of the Rules Governing Admission to the Bar of Texas and files a motion, accompanied by proof of compliance with those provisions, with the commission requesting to be admitted to represent a respondent.
- (d) This rule does not allow a person to engage in the unauthorized practice of law.

§12.3. Ex Parte Communications.

Neither commission enforcement staff nor respondents may communicate with commissioners or the general counsel outside the presence of the other party for the purpose of influencing a decision on a pending sworn complaint after the commission accepts jurisdiction over an allegation.

(a) The commission has no jurisdiction over an alleged violation:

- (1) if the alleged violation is also a criminal offense, and if, at the time the complaint is filed or at the time the commission would vote to initiate a preliminary review of a matter, the allegation would be barred from criminal prosecution by operation of the applicable statute of limitations; or
- (2) if the alleged violation is not also a criminal offense and if the allegation is based on facts that occurred more than three years before the date the complaint is filed or the date the commission would vote to initiate a preliminary review of a matter.

(b) For purposes of this section, a complaint is not filed unless it complies with the requirements of section 571.122 of the Government Code.

The file date for a complaint is the date the complaint is received by the commission.

§12.13. Description of Violation.

- (a) If a complaint does not include the specific rule or provision of law alleged to have been violated, the complaint must clearly and concisely describe facts that, if true, would constitute a violation of a law administered and enforced by the commission.
- (b) A complaint that erroneously cites a specific rule or provision of law is nonetheless sufficient if the correct citation can reasonably be ascertained by the commission. When a complaint erroneously cites a specific rule or provision of law, the commission shall cite the correct rule or provision of law in the notice provided to the respondent.

§12.14. Statement of Facts.

- (a) The alleged facts must provide sufficient detail to reasonably place the respondent on notice of the law violated and of the manner and means by which the violation allegedly occurred and to afford the respondent a basis on which to prepare a response.

(b) The facts alleged may adopt by reference the content of documents submitted with the complaint. However, the allegations must reasonably identify those portions of the document that are relevant to the alleged violation.

§12.15. Commission Initiated Complaint.

(a) Commission staff may gather or present documents or evidence, make recommendations, and otherwise communicate with commissioners in contemplation of, or in preparation for, a commission initiated preliminary review. Commissioners may request documents, evidence, or recommendations, and otherwise communicate with commission staff in contemplation of, or in preparation for, a commission initiated preliminary review.

(b) A preliminary review initiated by the commission under section 571.124(b) of the Government Code is deemed to be a complaint for purposes of all further proceedings under chapter 571 of the Government Code and of this chapter.

(c) Documents or evidence gathered by the commission and commission staff in contemplation of, or in preparation for, a commission initiated preliminary review are related to the processing of a preliminary review or motion for the purposes of sections 571.139 and 571.140 of the Government Code.

(d) Discussions between the commission and commission staff regarding gathering documents or evidence in contemplation of, or in preparation for, a commission initiated preliminary review are related to the processing of a preliminary review or motion for the purposes of sections 571.139 and 571.140 of the Government Code.

Subchapter C. INVESTIGATION AND DISCOVERY

§12.21. Response to Notice of Complaint.

(a) The response required by section 571.1242 of the Government Code must:

- (1) be in writing;

- (3) be signed by the respondent.

§12.22. Written Questions.

(a) A complainant or respondent must respond to written questions not later than 15 business days after receiving the written questions.

§12.23. Production of Documents During Preliminary Review.

(a) Before applying for the commission to issue a subpoena under §571.137(a-1) of the Government Code, commission staff must send to the person from whom records are sought a written request for the production or inspection of documents or other tangible things that:

- (1) specifies the items to be produced or inspected, either by individual item or by category, and describes with reasonable particularity each item and category; and
- (2) provides a reasonable amount of time, but not less than 30 days, to comply with the request.

(b) The person from whom records are sought must produce or allow the inspection of documents or other tangible things within the person's possession, custody or control within the time provided in the request, or submit in writing, as appropriate:

- (1) objections to those records that are unreasonable, improper, or unnecessary to investigate the complaint; or
- (2) that, after a diligent search, no items have been identified that are responsive to the request.

(c) Commission staff shall provide to the commission any response it receives to its request for production or inspection when applying for a subpoena under §571.137(a-1) of the Government Code.

§12.24. Proposed Settlement Before Preliminary Review Hearing.

If commission staff proposes to a respondent an agreement to settle a complaint that would be effective upon approval by the commission and the respondent, the 120-day deadline for the commission to propose an agreement to the respondent or dismiss the complaint (provided in section 571.1242(g) of the Government Code) is met. If a respondent approves a proposed agreement, commission staff must submit the proposed agreement to the commission to seek final approval at the next scheduled commission meeting. If a respondent rejects a proposed agreement, the matter shall be set for a preliminary review hearing at the next commission meeting for which notice has not yet been posted. If a respondent rejects a proposed agreement within 45 days before the date of a commission meeting, the matter shall be set for a preliminary review hearing at the next commission meeting thereafter.

§12.25. Subpoenas Issued by Commission.

(a) A subpoena issued under §571.137 of the Government Code shall specify the date, time, place, and manner for execution of the subpoena.

(b) A subpoena issued under section 571.137 of the Government Code that requires a person to provide testimony shall be served on that person at least 10 business days before the date the subpoena is to be executed.

(c) A subpoena sought by commission staff under section 571.137(a) of the Government Code must be requested in writing and may be approved and issued by the unanimous agreement of the chair and vice chair. If either the chair or vice chair does not approve the request, then staff may seek approval through a vote of the commission, in which case the subpoena will be issued upon the affirmative vote of five commissioners.

§12.26. Subpoenas Issued by Counsel for the Respondent.

(a) This section applies only to subpoenas issued by a respondent's counsel under section 571.125(f) (concerning the issuance of a subpoena for a witness in a preliminary review hearing) or 571.130(f) (concerning the issuance of a subpoena for a witness in a formal hearing) of the Government Code.

(b) A subpoena must be issued in the name of "The State of Texas" and must:

- (1) state the sworn complaint numbers for the sworn complaints at issue in the hearing at which the witness is summoned to appear;
- (2) state that the subpoena pertains to a sworn complaint proceeding before the Texas Ethics Commission;
- (3) state the date on which the subpoena is issued;
- (4) identify the person to whom the subpoena is directed;
- (5) state the time and place of the preliminary review hearing or formal hearing at which the subpoena directs the person to appear;
- (6) identify the respondent at whose instance the subpoena is issued and the respondent's attorney of record;
- (7) specify with reasonable particularity any documents with which the person to whom the subpoena is directed shall appear;
- (8) state the text of § 12.31(i) of this chapter (relating to Purpose and Effect of Motions); and
- (9) be signed by the attorney issuing the subpoena.

(c) A subpoena must command the person to whom it is directed to appear and give testimony at:

- (1) a preliminary review hearing; or
- (2) a formal hearing.

(d) A subpoena may only direct a person to appear, with or without documents, and give testimony at a preliminary review hearing or formal hearing before the commission.

(e) A subpoena may be issued only by the counsel of record for a respondent in a sworn complaint proceeding before the commission against that respondent.

(f) Service.

- (1) Manner of service. A subpoena may be served at any place within the State of Texas by any sheriff or constable of the State of Texas, or any person who is not a party and is 18

years of age or older. A subpoena must be served by delivering a copy to the witness and tendering to that person any fees required by law. If the witness is a party and is represented by an attorney of record in the sworn complaint proceeding, the subpoena may be served on the witness's attorney of record.

(2) Deadline for service. A subpoena must be served upon the person required to appear at least 21 days before the preliminary review hearing or formal hearing at which the person is required to appear. The subpoena and proof of service must be filed with the commission within three days of its service on the person required to appear.

(3) Proof of service. Proof of service must be made by filing either:

(A) the witness's signed written memorandum attached to the subpoena showing that the witness accepted the subpoena; or

(B) a statement by the person who made the service stating the date, time, and manner of service, and the name of the person served.

(g) Response.

(1) Except as provided in this subsection, a person served with a subpoena must comply with the command stated therein unless discharged by the commission or by the party summoning such witness. A person commanded to appear and give testimony must remain at the place of hearing from day to day until discharged by the commission or the party summoning the witness.

(2) If a subpoena commanding testimony is directed to a corporation, partnership, association, governmental agency, or other organization, and the matters on which examination is requested are described with reasonable particularity, the organization must designate one or more persons to testify on its behalf as to matters known or reasonably available to the organization.

(3) A person commanded to appear with documents must produce the documents as they are kept in the usual course of business or must organize and label them to correspond with the categories in the demand.

(4) A person commanded to appear at a hearing must file any motion to quash the subpoena or objection to a requirement to appear with certain documents with the commission no later than the 14th day before the hearing at which the person is directed to appear. Commission staff may move to quash a subpoena or object to appearance with certain documents in the same manner as the person commanded to appear by the subpoena. The filer of a motion to quash or objection to a requirement to appear with certain documents must serve the motion or objection on the proponent of the subpoena in person, by mail, by commercial delivery service, by fax, by email, or by other such manner as the presiding officer of the commission may direct, no later than the deadline for filing the motion to quash or objection to appearance with documents with the commission. After affording commission staff and the person commanded to appear an opportunity to move to quash the subpoena or object to appearance with certain documents, and affording the proponent of the subpoena an opportunity to respond to the motion to quash or objection to appearance with documents,

the commission's presiding officer shall rule on a motion to quash or objection to appearance with documents.

(5) A person commanded to attend and give testimony, or to produce documents or things, at a preliminary review hearing or formal hearing may object to giving testimony or producing documents at the time and place specified for the hearing, rather than under subsection (g)(4) of this section.

(6) A party's appearance with a document in response to a subpoena directing the party to appear with the document authenticates the document for use against that party in any proceeding before the commission unless the party appearing with the document objects to the authenticity of the document, or any part of it, at the time of the party's appearance, stating the specific basis for objection. An objection must have a good faith factual and legal basis. An objection made to the authenticity of only part of a document does not affect the authenticity of the remainder. If objection is made, the party attempting to use the document should be given a reasonable opportunity to establish its authenticity. The requirement that the commission provide a reasonable opportunity to establish the document's authenticity may be satisfied by the opportunity to present a witness to authenticate the document at a subsequent hearing before the commission.

(h) A counsel for a respondent issuing a subpoena must take reasonable steps to avoid imposing undue burden or expense on the person served. In ruling on a motion to quash or objection to appearance with documents, the presiding officer must provide a person served with a subpoena an adequate time for compliance, protection from disclosure of privileged material or information, and protection from undue burden or expense. The presiding officer may impose reasonable conditions on compliance with a subpoena, including compensating the witness for undue hardship.

§12.27. Discovery Control Plans, Application.

(a) As determined by the Executive Director from available information, a sworn complaint that appears to allege only technical or de minimis violations, as defined by §12.92 of this chapter (related to Resolution of Technical or De Minimis Allegation), is governed by a Level 1 discovery control plan. All other sworn complaints are governed by a Level 2 discovery control plan.

(b) Commission staff shall indicate in the written notice of a complaint provided to the respondent under Section 571.123, Government Code, whether the complaint is governed by a Level 1 or Level 2 discovery control plan.

(c) The respondent or commission staff may file a motion requesting that the Executive Director modify a discovery control plan from Level 1 to Level 2, or vice versa, if the facts discovered after the initial determination of the Executive Director warrant the modification.

(d) The Presiding Officer may issue an order modifying the discovery period or scope of discovery for a sworn complaint.

(e) The terms "interrogatory," "request for admission," "deposition," and "request for production" have the same meaning as applied in the Texas Rules of Civil Procedure, except

that an interrogatory and a request for admission is also considered a written question for purposes of Section 571.1242(f) of the Government Code and §12.22(a) of this Chapter (relating to Written Questions).

§12.28. Level 1 Discovery Control Plan.

(a) Discovery in a preliminary review under a Level 1 Discovery Control Plan is subject to the limitation provided elsewhere in this Chapter and to the following additional limitations:

(1) All discovery during a preliminary review must be conducted during the discovery period which begins when the initial response to the complaint is due and continues for 90 days.

(2) The discovery period reopens on the date the commission sets the matter for a formal hearing and continues for an additional 90 days.

(3) During a preliminary review, the respondent and commission staff may serve on any other party no more than 5 written interrogatories, excluding interrogatories asking a party only to identify or authenticate specific documents. If set for a formal hearing, each party may serve 10 more interrogatories. Each discrete subpart of an interrogatory is considered a separate interrogatory.

(4) During a preliminary review, the respondent and commission staff may serve on any other party no more than 5 written requests for production. If set for a formal hearing, each party may serve 10 more written requests for production. Each discrete subpart of a request for production is considered a separate request for production.

(5) During a preliminary review, the respondent and commission staff may serve on any other party no more than 5 written requests for admissions. If set for a formal hearing, each party may serve 10 more requests for admissions. Each discrete subpart of a request for admission is considered a separate request for admission.

§12.29. Level 2 Discovery Control Plan.

(a) Discovery in a preliminary review under a Level 2 Discovery Control Plan is subject to the limitation provided elsewhere in this Chapter and to the following additional limitations:

(1) All discovery during a preliminary review must be conducted during the discovery period which begins when the initial response to the complaint is due and continues for 120 days.

(2) The discovery period reopens on the date the commission sets the matter for a formal hearing and continues until the earlier of 30 days before a formal hearing or six months after the conclusion of the preliminary review hearing.

(3) During a preliminary review, the respondent and commission staff may serve on any other party no more than 10 written interrogatories, excluding interrogatories asking a party only to identify or authenticate specific documents. (4) During a preliminary review, the respondent and commission staff may serve on any other party no more than 10 written requests for production. If set for a formal hearing, each party may serve 15 more written requests for production. Each discrete subpart of a request for admission is considered a separate request for admission.

(6) If set for a formal hearing, the respondent or commission staff may request that the discovery control plan allow for the taking of depositions, consistent with and subject to the limits provided by Chapter 2001 of the Government Code.

A decision by the presiding officer to amend a scheduling order or to deny a motion, response, or evidence shall be issued to the parties to a hearing within 5 business days after the decision is made.

(c) Except as otherwise provided in this chapter or as ordered or allowed by the commission, responses to motions shall be in writing and filed by the applicable deadline. However, if the presiding officer finds good cause has been shown, responses to written motions may be presented orally at hearing.

(d) The presiding officer may deny a party's motions, responses, or replies or deny a party's evidence from being admitted into the record of the hearing if the party fails to timely file.

§12.35. Method of Filing.

(a) Motions, responses, and other documents in a sworn complaint proceeding must be filed with the commission by emailing it to sworncomplaints@ethics.state.tx.us and including the following information in the subject line:

- (1) the sworn complaint number; and
- (2) the title of the document.

(b) The time and date of filing is the electronic time stamp affixed by the commission's email system. Documents received when the commission is closed shall be deemed filed the next business day.

§12.36. Service of Documents.

(a) On the same date a document is filed with the commission, a copy shall also be sent to each party or the party's authorized representative by hand-delivery; by regular, certified, or registered mail; or by email, upon agreement of the parties.

(b) A person filing a document shall include a certificate of service that certifies compliance with this section.

(1) A certificate of service shall be sufficient if it substantially complies with the following example: "Certificate of Service: I certify that on {date}, a true and correct copy of this {name of document} has been sent to {name of opposing party or authorized representative for the opposing party} by {specify method of delivery, e.g., email, regular mail, fax, certified mail.} {Signature}"

(2) If a filing does not certify service, the commission may:

- (B) send a notice of noncompliance to all parties, stating the filing will not be considered until all parties have been served; or
- (C) send a copy of the filing to all parties.

(c) The following rebuttable presumptions shall apply regarding a party's receipt of documents served by another party:

- (2) If a document was served by courier-receipted overnight delivery, the commission shall presume that the document was received no later than the next business day after filing at the commission.
- (3) If a document was served by regular, certified, or registered mail, or non-overnight courier-receipted delivery, the commission shall presume that it was received no later than three days after mailing.
- (4) If a document was served by fax or email before 5:00 p.m. on a business day, the commission shall presume that the document was received on that day; otherwise, the commission shall presume that the document was received on the next business day.

(d) The sender has the burden of proving date and time of service.

§12.37. Non-conforming Documents.

When a filed document fails to conform to the requirements of this subchapter, the executive director may either:

- (1) reject the filing, identify the errors to be corrected and state a deadline for correction;
or
- (2) accept the filing.

§12.38. Amended and Supplemental Filings.

A party may amend or supplement its pleadings as follows:

- (1) If a notice of a hearing or other documents provided to the complainant or respondent under section 571.126(b)(2) of the Government Code contain a material defect, the commission may correct the notice or other document and deliver it to the complainant and respondent as soon as practicable and in the same manner as the original notice. If the respondent does not receive the correction at least 10 days before the date of the hearing, the presiding officer may by order reschedule the hearing. The executive director shall notify the parties and the complainant of the date, time, and place of the hearing as soon as practicable.

(2) As to all other matters, an amendment or supplementation that includes information material to the substance of a hearing, requests for relief, changes to the scope of a hearing, or other matters that unfairly surprise other parties may not be filed later than seven days before the date of the hearing, except by agreement of all parties or by permission of the presiding officer.

§12.39. Application of this Subchapter.

If there is a conflict between this section and a requirement found in another section relating to a specific type of motion, the more specific provision applies.

Division 2 – Types of Motions.

§12.41. Motion to Extend Time.

- (a) The executive director may extend a deadline pursuant to §571.136 of the Government Code.
- (b) A request for more time to file a document or respond to discovery shall include:
 - (1) a statement of the number of extension requests previously sought in the case by the movant;
 - (2) the specific reason for the request; and
 - (3) a proposed date for the deadline the movant seeks to extend.
- (c) Motions to extend time shall be filed no later than five days before the date of the deadline at issue or shall state good cause for presenting the motion after that time. If the executive director finds good cause has been demonstrated, the executive director may consider a motion filed after that time.
- (d) Unless otherwise ordered by the executive director, responses to motions for extension of a deadline are due three days after receipt of the motion.
- (e) A motion for continuance or extension of time is not granted until it has been ruled on by the executive director, even if the motion is uncontested or agreed.

§12.42. Motion for Continuance.

- (a) The presiding officer may postpone or delay a hearing.
- (b) A request to postpone or delay a hearing shall include:
 - (1) a statement of the number of motions for continuance previously filed in the case by the movant;
 - (2) the specific reason for the request; and
 - (3) whether the movant is available if the hearing or prehearing conference is continued to the next tentatively scheduled commission meeting.

(c) Motions for continuance shall be filed no later than five days before the date of the proceeding or shall state good cause for presenting the motion after that time. If the presiding officer finds good cause has been demonstrated, the presiding officer may consider a motion filed after that time.

(d) Responses to motions for continuance shall be in writing, except a response to a motion for continuance made on the date of the proceeding may be presented orally at the proceeding. Unless otherwise ordered or allowed by the presiding officer, responses to motions for continuance shall be made by the earlier of:

- (1) three days after receipt of the motion; or
- (2) the date and time of the proceeding.

(d) A motion for continuance is not granted until it has been ruled on by the presiding officer, even if the motion is uncontested or agreed.

§12.43. Motion to Dismiss.

(a) A party may move to dismiss a complaint in whole or in part on the grounds that an alleged violation has no basis in law or fact. An alleged violation has no basis in law if the allegations, if taken as true, together with inferences reasonably drawn from them do not constitute a violation of a rule adopted by or a law administered and enforced by the commission. An alleged violation has no basis in fact if no reasonable person could believe the facts alleged.

(b) A motion to dismiss must identify each alleged violation to which it is addressed, and must state specifically the reasons the alleged violation has no basis in law, no basis in fact, or both.

(c) The commission may, but is not required to, conduct an oral hearing on the motion to dismiss. The commission may not consider evidence in ruling on the motion and must decide the motion based solely on the facts alleged in the complaint, together with any complaint exhibits permitted by commission rule or statute.

§12.44. Motion for Summary Disposition.

(a) Summary disposition shall be granted on all or part of a complaint's allegations if the allegations, the motion for summary disposition, and the summary disposition evidence show that there is no genuine issue as to any material fact and that the moving party is entitled to a decision in its favor as a matter of law on all or some of the issues expressly set out in the motion. Summary disposition is not permitted based on the ground that there is no evidence of one or more essential elements of a claim or defense on which the opposing party would have the burden of proof at the formal hearing.

(b) Unless otherwise ordered by the presiding officer:

- (1) A party must file a motion for summary disposition at least 45 days before a scheduled hearing on the merits.
- (2) The response and opposing summary disposition evidence shall be filed no later than 15 days after the filing of the motion.

(c) A motion for summary disposition shall include the contents listed below. A motion may be denied for failure to comply with these requirements.

(1) The motion shall state the specific issues upon which summary disposition is sought and the specific grounds justifying summary disposition.

(2) The motion shall also separately state all material facts upon which the motion is based. Each material fact stated shall be followed by a clear and specific reference to the supporting summary disposition evidence.

(3) The first page of the motion shall contain the following statement in at least 12-point, bold-face type: “Notice to parties: This motion requests the commission to decide some or all of the issues in this case without holding an evidentiary hearing on the merits. You have 15 days after the filing of the motion to file a response. If you do not file a response, this case may be decided against you without an evidentiary hearing on the merits.”

(d) Responses to motions.

(1) A party may file a response and summary disposition evidence to oppose a motion for summary disposition.

(2) The response shall include all arguments against the motion for summary disposition, any objections to the form of the motion, and any objections to the summary disposition evidence offered in support of the motion.

(e) Summary disposition evidence.

(1) Summary disposition evidence may include deposition transcripts; interrogatory answers and other discovery responses; pleadings; admissions; affidavits; materials obtained by discovery; matters officially noticed; stipulations; authenticated or certified public, business, or medical records; and other admissible evidence. No oral testimony shall be received at a hearing on a motion for summary disposition.

(2) Summary disposition may be based on uncontested written testimonial evidence of an interested witness, or of an expert witness as to subject matter concerning which the presiding officer must be guided solely by the opinion testimony of experts, if the evidence is clear, positive and direct, otherwise credible and free from contradictions and inconsistencies, and could have been readily controverted.

(3) All summary disposition evidence offered in support of or in opposition to a motion for summary disposition shall be filed with the motion or response. Copies of relevant portions of materials obtained by discovery that are relied upon to support or oppose a motion for summary disposition shall be included in the summary disposition evidence.

(f) Proceedings on motions.

(1) The presiding officer may order a hearing on a motion for summary disposition and the commission may rule on the motion without a hearing.

- (2) The affirmative vote of six commissioners is necessary to grant summary disposition finding a violation by a preponderance of the evidence.
- (3) If summary disposition is granted on all contested issues in a case, the record shall close on the date ordered by the presiding officer or on the later of the filing of the last summary disposition arguments or evidence, the date the summary disposition response was due, or the date a hearing was held on the motion. The commission shall issue a final decision and written report, including a statement of reasons, findings of fact, and conclusions of law in support of the summary disposition rendered.
- (4) If summary disposition is granted on some but not all of the contested issues in a case, the commission shall not take evidence or hear further argument upon the issues for which summary disposition has been granted. The commission shall issue an order:
 - (A) specifying the facts about which there is no genuine issue;
 - (B) specifying the issues for which summary disposition has been granted; and
 - (C) directing further proceedings as necessary. If an evidentiary hearing is held on the remaining issues, the facts and issues resolved by summary disposition shall be deemed established, and the hearing shall be conducted accordingly. After the evidentiary hearing is concluded, the commission shall include in the final decision a statement of reasons, findings of fact, and conclusions of law in support of the partial summary disposition rendered.

§12.45. Motion for Sanctions.

- (a) The commission has the authority to impose appropriate sanctions against a party or its representative for:
 - (1) filing a motion or pleading that is deemed by the commission to be groundless and brought:
 - (A) in bad faith;
 - (B) for the purpose of harassment; or
 - (C) for any other improper purpose, such as to cause unnecessary delay or needless increase in the cost of the proceeding;
 - (2) abuse of the discovery process in seeking, making, or resisting discovery;
 - (3) failure to comply with a commission order; or
 - (4) violating §12.51 of this chapter (relating to Conduct and Decorum).

- (1) disallowing or limiting further discovery by the offending party;
- (2) charging all or part of the expenses of discovery against the offending party or its representatives;
- (3) deeming designated facts be admitted for purposes of the proceeding;
- (4) refusing to allow the offending party to support or oppose a claim or defense or prohibiting the party from introducing designated matters into the record;
- (5) disallowing in whole or in part requests for relief by the offending party and excluding evidence in support of those requests; and
- (6) striking motions or testimony in whole or in part.

(c) In deciding if a complaint is frivolous, the commission will be guided by the Texas Rules of Civil Procedure, Rule 13, and interpretations of that rule, and may also consider:

- (1) the timing of the complaint with respect to when the facts supporting the alleged violation became known or should have become known to the complainant, and with respect to the date of any pending election in which the respondent is a candidate or is involved with a candidacy, if any;
- (2) the nature and type of any publicity surrounding the filing of the complaint, and the degree of participation by the complainant in publicizing the fact that a complaint was filed with the commission;
- (3) the existence and nature of any relationship between the respondent and the complainant before the complaint was filed;
- (4) if respondent is a candidate for election to office, the existence and nature of any relationship between the complainant and any candidate or group opposing the respondent;
- (5) any evidence that the complainant knew or reasonably should have known that the allegations in the complaint were groundless; and
- (6) any evidence of the complainant's motives in filing the complaint.

CHAPTER 20. REPORTING POLITICAL CONTRIBUTIONS AND EXPENDITURES

Subchapter A. GENERAL RULES

§20.1. Definitions.

The following words and terms, when used in Title 15 of the Election Code, in this chapter, Chapter 22 of this title (relating to Restrictions on Contributions and Expenditures), and Chapter 24 of this title (relating to Restrictions on Contributions and Expenditures Applicable to Corporations and Labor Organizations), shall have the following meanings, unless the context clearly indicates otherwise.

- (1) Campaign communication--The term does not include a communication made by e-mail.
- (2) Campaign treasurer--Either the individual appointed by a candidate to be the campaign treasurer, or the individual responsible for filing campaign finance reports of a political committee under Texas law or the law of any other state.
- (3) Contribution--The term does not include a transfer for consideration of any thing of value pursuant to a contract that reflects the usual and normal business practice of the vendor.
- (4) Corporation--The term does not include professional corporations or professional associations.
- (5) Election cycle--A single election and any related primary or runoff election.
- (6) Identified measure--A question or proposal submitted in an election for an expression of the voters' will and includes the circulation and submission of a petition to determine whether a question or proposal is required to be submitted in an election for an expression of the voters' will.
- (7) Non-political expenditure--An expenditure from political contributions that is not an officeholder expenditure or a campaign expenditure.
- (8) Opposed candidate--A candidate who has an opponent whose name is to appear on the ballot. The name of a write-in candidate does not appear on the ballot.
- (9) Out-of-state political committee--A political committee that makes political expenditures outside Texas and in the 12 months immediately preceding the making of a political expenditure by the committee inside Texas (other than an expenditure made in connection with a campaign for a federal office or made for a federal officeholder), makes 80% or more of the committee's total political expenditures in any combination of elections outside this state and federal offices not voted on in this state. Section 20.13 of this title (relating to Out-of-State Committees) explains the practical application of this definition.
- (10) Pledge--A contribution in the form of an unfulfilled promise or unfulfilled agreement, whether enforceable or not, to provide a specified amount of money or

specific goods or services. The term does not include a contribution actually made in the form of a check.

(11) Political advertising:

(A) A communication that supports or opposes a political party, a public officer, a measure, or a candidate for nomination or election to a public office or office of a political party, and:

- (i) is published in a newspaper, magazine, or other periodical in return for consideration;
- (ii) is broadcast by radio or television in return for consideration;
- (iii) appears in a pamphlet, circular, flier, billboard, or other sign, bumper sticker, or similar form of written communication; or
- (iv) appears on an Internet website.

(B) The term does not include an individual communication made by e-mail or text message but does include mass e-mails and text messages involving an expenditure of funds beyond the basic cost of hardware messaging software and bandwidth.

(12) Political subdivision--A county, city, or school district or any other governmental entity that:

- (A) embraces a geographic area with a defined boundary;
- (B) exists for the purpose of discharging functions of government; and
- (C) possesses authority for subordinate self-government through officers selected by it.

(13) Report--Any document required to be filed by this title, including an appointment of campaign treasurer, any type of report of contributions and expenditures, and any notice.

(14) Special pre-election report--A shorthand term for a report filed in accordance with the requirements of §§20.221, 20.333, or 20.435 of this title (relating to Special Pre-Election Report by Certain Candidates; Special Pre-Election Report by Certain Specific-Purpose Committees; Special Pre-Election Reports by Certain General-Purpose Committees) and §§254.038 and §254.039 of the Election Code (relating to Special Report Near Election by Certain Candidates and Political Committees and Special Report Near Election By Certain General-Purpose Committees).

(15) Specific-purpose committee--A political committee that does not meet the definition of general-purpose committee and that has among its principal purposes:

- (A) supporting or opposing one or more:

(i) candidates, all of whom are identified and are seeking offices that are known; or

(ii) measures, all of which are identified;

(B) assisting one or more officeholders, all of whom are identified; or

(C) supporting or opposing only one candidate who is unidentified or who is seeking an office that is unknown.

(16) Unidentified measure--A question or proposal that is intended to be submitted in an election for an expression of the voters' will and that is not yet legally required to be submitted in an election, except that the term does not include the circulation or submission of a petition to determine whether a question or proposal is required to be submitted in an election for an expression of the voters' will. The circulation or submission of a petition to determine whether a question or proposal is required to be submitted in an election for an expression of the voters' will is considered to be an identified measure.

(17) Principal purpose--A group has as a principal purpose of accepting political contributions or making political expenditures, including direct campaign expenditures, when that activity is an important or a main function of the group.

(A) A group may have more than one principal purpose. When determining whether a group has a principal purpose of accepting political contributions or making political expenditures, the Commission may consider any available evidence regarding the activities by the group and its members, including, but not limited to:

(i) public statements,

(ii) fundraising appeals,

(iii) government filings,

(iv) organizational documents; and

(v) the amount of political expenditures made and political contributions accepted by the group and its members.

(B) A group does not have a principal purpose of making political expenditures if it can demonstrate that not more than 49% of its overall expenditures are political expenditures.

(C) The following shall be included for purposes of calculating the proportion of the group's political expenditures to all other spending:

(i) the amount of money paid in compensation and benefits to the group's employees for work related to making political expenditures;

(ii) the amount of money spent on political expenditures; and

(iii) the amount of money attributable to the proportional share of administrative expenses related to political expenditures. The proportional share of administrative expenses is calculated by comparing the political expenditures in clause (ii) of this subparagraph with nonpolitical expenditures. (For example, if the group sends three mailings a year and each costs \$10,000, if the first two are issue based newsletters and the third is a direct advocacy sample ballot, and there were no other expenditures, then the proportion of the administrative expenses attributable to political expenditures would be 33%.) Administrative expenses include:

- (I) fees for services to non-employees;
- (II) advertising and promotion;
- (III) office expenses;
- (IV) information technology;
- (V) occupancy;
- (VI) travel expenses;
- (VII) interest; and
- (VIII) insurance.

(D) The group may maintain specific evidence of administrative expenses related only to political expenditures or only to nonpolitical expenditures. Specifically identified administrative expenses shall not be included in the proportion established by subparagraph (D)(iii) but allocated by the actual amount of the expense.

(E) In this section, the term "political expenditures" includes direct campaign expenditures.

(18) In connection with a campaign:

(A) An expenditure is made in connection with a campaign for an elective office if it is:

(i) made for a communication that expressly advocates the election or defeat of a clearly identified candidate by:

- (I) using such words as "vote for," "elect," "support," "vote against," "defeat," "reject," "cast your ballot for," or "Smith for city council;" or

(II) using such phrases as “elect the incumbent” or “reject the challenger,” or such phrases as “vote pro-life” or “vote pro-choice” accompanied by a listing of candidates described as “pro-life” or “pro-choice;”

(ii) made for a communication broadcast by radio, television, cable, or satellite or distributed by print or electronic media, including any print publication, mailing, Internet website, electronic mail, or automated phone bank, that:

(I) refers to a clearly identified candidate;

(II) is distributed within 30 days before a contested election for the office sought by the candidate;

(III) targets a mass audience or group in the geographical area the candidate seeks to represent; and

(IV) includes words, whether displayed, written, or spoken; images of the candidate or candidate’s opponent; or sounds of the voice of the candidate or candidate’s opponent that, without consideration of the intent of the person making the communication, are susceptible of no other reasonable interpretation than to urge the election or defeat of the candidate;

(iii) made by a candidate or political committee to support or oppose a candidate; or

(iv) a campaign contribution to:

(I) a candidate; or

(II) a group that, at the time of the contribution, already qualifies as a political committee.

(B) An expenditure is made in connection with a campaign on a measure if it is:

(i) made for a communication that expressly advocates the passage or defeat of a clearly identified measure by using such words as “vote for,” “support,” “vote against,” “defeat,” “reject,” or “cast your ballot for;”

(ii) made for a communication broadcast by radio, television, cable, or satellite or distributed by print or electronic media, including any print publication, mailing, Internet website, electronic mail, or automated phone bank, that:

(I) refers to a clearly identified measure;

(II) is distributed within 30 days before the election in which the measure is to appear on the ballot;

(III) targets a mass audience or group in the geographical area in which the measure is to appear on the ballot; and

(IV) includes words, whether displayed, written, or spoken, that, without consideration of the intent of the person making the communication, are susceptible of no other reasonable interpretation than to urge the passage or defeat of the measure;

(iii) made by a political committee to support or oppose a measure; or

(iv) a campaign contribution to a group that, at the time of the contribution, already qualifies as a political committee.

(C) Any cost incurred for covering or carrying a news story, commentary, or editorial by a broadcasting station or cable television operator, Internet website, or newspaper, magazine, or other periodical publication, including an Internet or other electronic publication, is not a campaign expenditure if the cost for the news story, commentary, or editorial is not paid for by, and the medium is not owned or controlled by, a candidate or political committee.

(D) For purposes of this section:

(i) a candidate is clearly identified by a communication that includes the candidate's name, office sought, office held, likeness, photograph, or other apparent and unambiguous reference; and

(ii) a measure is clearly identified by a communication that includes the measure's name or ballot designation (such as "Proposition 1"), purposes, election date, or other apparent and unambiguous reference.

(19) Discount--The provision of any goods or services without charge or at a charge which is less than fair market value. A discount is an in-kind political contribution unless the terms of the transaction reflect the usual and normal practice of the industry and are typical of the terms that are offered to political and non-political persons alike, or unless the discount is given solely in order to comply with §253.041 of the Election Code. The value of an in-kind contribution in the form of a discount is the difference between the fair market value of the goods or services at the time of the contribution and the amount charged.

(20) School district--For purposes of §254.130 of the Election Code and §§20.3 (relating to Reports Filed with the Commission), 20.7 (relating to Reports Filed with Other Local Filing Authority), and 20.315 (relating to Termination of Campaign Treasurer Appointment) of this title, the term includes a junior college district or community college district.

(21) Vendor--Any person providing goods or services to a candidate, officeholder, political committee, or other filer under this chapter. The term does not include an employee of the candidate, officeholder, political committee, or other filer.

(22) Hybrid committee—A political committee that, as provided by section 252.003(a)(4) (relating to contents of a general-purpose committee's campaign treasurer appointment) or 252.0031(a)(2) (relating to a specific-purpose committee's campaign treasurer appointment) of the Election Code, as applicable, has filed a campaign treasurer appointment that includes an affidavit stating that:

- (A) the committee is not established or controlled by a candidate or an officeholder; and
- (B) the committee will not use any political contribution from a corporation or a labor organization to make a political contribution to:
 - (i) a candidate for elective office;
 - (ii) an officeholder; or
 - (iii) a political committee that has not filed an affidavit in accordance with this section.

(23) Direct campaign expenditure-only committee—A political committee, as authorized by section 253.105 of the Election Code (relating to political contributions to direct campaign expenditure-only committees) to accept political contributions from corporations or labor organizations, that:

- (A) is not established or controlled by a candidate or an officeholder;
- (B) makes or intends to make direct campaign expenditures;
- (C) does not make or intend to make political contributions to:
 - (i) a candidate;
 - (ii) an officeholder;
 - (iii) a specific-purpose committee established or controlled by a candidate or an officeholder; or
 - (iv) a political committee that makes or intends to make political contributions to a candidate, an officeholder, or a specific-purpose committee established or controlled by a candidate or an officeholder; and
- (D) has filed an affidavit with the commission stating the committee's intention to operate as described by subparagraphs (B) and (C).

§20.3. Reports Filed with the Commission.

- (F) a judicial district office filled by voters of only one county, subject to §20.5(b);

(2) a person holding an office listed in paragraph (1) of this section;

(3) the secretary of state;

(4) a specific-purpose committee supporting or opposing a candidate or officeholder required to file with the commission; or

(5) a specific-purpose committee supporting or opposing:

- (A) a measure to be submitted to the voters of the entire state; or
- (B) a measure that concerns a political subdivision other than a county, if the governing body of the political subdivision has not been formed and if the political subdivision includes territory in more than one county;

(6) a specific-purpose committee created to support or oppose a measure on the issuance of bonds by a school district; or

(7) a general-purpose committee.

§20.5. Reports Filed with a County Filing Authority.

The county clerk (or the county elections administrator or tax assessor-collector who is required to perform the functions of the county clerk as provided by §§31.043 or 31.071 of the Election Code) is the appropriate filing authority for reports filed by:

(1) a candidate for:

- (A) a county office;
- (B) a precinct office;

§20.7. Reports Filed with Other Local Filing Authority.

(a) Except as provided by §20.3(6) of this title (relating to Reports Filed with the Commission), the secretary of a political subdivision (or the presiding officer if the political subdivision has no secretary) is the appropriate filing authority for reports filed by:

- (1) a candidate for an office of a political subdivision other than a county;
- (2) a person holding an office of a political subdivision other than a county; or
- (3) a specific-purpose committee supporting or opposing a measure to be submitted at an election ordered by the authority of a political subdivision other than a county.

(b) The campaign treasurer of a specific-purpose committee created to support or oppose a measure on the issuance of bonds by a school district should file with the commission a file-stamped copy of any campaign treasurer appointment filed with the appropriate local filing authority.

§20.9. Filing Option for Certain Specific-Purpose Committees.

A specific-purpose committee required to file reports with more than one authority may choose to file reports only with the commission.

§20.11. Federal Candidates and Officeholders.

The laws administered and enforced by the commission do not apply to a candidate for election to an office of the federal government or to a federal officeholder.

§20.13. Out-of-State Committees.

(a) An out-of-state political committee is required to file reports for each reporting period under Subchapter F, Chapter 254, Election Code, in which the out-of-state political committee accepts political contributions or makes political expenditures in connection with a state or local election in Texas. Section 254.1581, Election Code, applies to a report required to be filed under this section. An out-of-state political committee that files reports electronically in another jurisdiction may comply with §254.1581, Election Code, by sending a letter to the commission within the time prescribed by that section specifying in detail where the electronic report may be found on

the website of the agency with which the out-of-state political committee is required to file its reports. An out-of-state political committee that does not file reports electronically in another jurisdiction may comply with §254.1581, Election Code, by sending a copy of the cover sheets of the report and a copy of each page on which the committee reports a contribution or expenditure accepted or made in connection with a state or local election in Texas.

(b) An out-of-state political committee that files an appointment of campaign treasurer with a Texas filing authority is required to file reports under this title.

(c) A political committee must determine if it is an "out-of-state political committee" each time the political committee plans to make a political expenditure in Texas (other than an expenditure in connection with a campaign for a federal office or an expenditure for a federal officeholder). The determination is made as follows.

(1) Before making the expenditure (other than an expenditure in connection with a campaign for a federal office or an expenditure for a federal officeholder), the committee must calculate its total political expenditures made during the 12 months immediately preceding the date of the planned expenditure. This total does not include the planned political expenditure triggering the calculation requirement.

(2) If 80% or more of the total political expenditures are in connection with elections not voted on in Texas, the committee is an out-of-state committee.

(3) If less than 80% of the total political expenditures are in connection with elections not voted on in Texas, the committee is no longer an out-of-state committee.

(d) Section 20.29 (relating to Information About Out-of-State Committees) and §22.7 (relating to Contribution from Out-of-State Committee) of this title contain other provisions regarding requirements applicable to recipients of contributions from out-of-state political committees.

(e) An out-of-state political committee planning an expenditure in connection with a campaign for federal office voted on in Texas is not required to make the determination required under subsection (c) of this section. However, an expenditure in connection with a campaign for federal office voted on in Texas must be included in the calculation set out in subsection (c) of this section for an out-of-state committee making an expenditure in connection with a non-federal campaign voted on in Texas.

§20.15. Change of Address.

The campaign treasurer of a political committee required to file reports with the commission shall provide written notice to the commission of any change in his or her mailing address no later than the 10th day after the date of the change.

(b) A person required to file reports with the commission and who qualifies for an exemption from electronic filing may provide to the commission an electronic mail address to which notices regarding filing requirements under Title 15 of the Election Code may be sent.

(c) If the commission is twice unable to notify a person of a deadline at an electronic mail address provided under subsection (a) or (b) of this section, the commission is not required to make any further attempts to notify the person of that deadline or any future deadlines until the person has notified the commission of the person's current electronic mail address.

§20.18. Recordkeeping Required.

(a) Records required to be maintained by §254.001 of the Election Code consist of records containing information needed to comply with reporting requirements, examples may include bank statements (front and back), deposit slips, cancelled checks (front and back), receipts, invoices, bills, and ledgers of contributions and expenditures.

(b) Candidates, officeholders, and campaign treasurers of a political committee comply with §254.001 of the Election Code when they maintain the following:

- (1) Bank statements for all campaign activity;
- (2) Invoices or bills for campaign expenditures;
- (3) Copies of checks paid for campaign activity;
- (4) Donation documentation for each person from whom a political contribution, loan, gain, or reimbursement is accepted;

(c) A person required to maintain a record under this section shall preserve the record for at least two years beginning on the filing deadline for the report containing the information in the record.

§20.19. Reports Must Be Filed on Official Forms.

Except for special pre-election reports that are exempt from the electronic filing requirement, all reports required by Chapters 20 through 40 must be filed in a format prescribed by the commission or on forms approved by the executive director pursuant to §18.1 of this title (relating to Forms).

Subchapter B. GENERAL REPORTING RULES

§20.50. Total Political Contributions Maintained.

(a) For purposes of Election Code §254.031(a)(8) and §254.0611(a)(1), the total amount of political contributions maintained in one or more accounts includes the following:

- (1) The balance on deposit in banks, savings and loan institutions and other depository institutions;
- (2) The present value of any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.; and
- (3) The balance of political contributions accepted and held in any online fundraising account over which the filer can exercise control by making a withdrawal, expenditure, or transfer.

(b) For purposes of Election Code §254.031(a)(8) and §254.0611(a)(1), the total amount of political contributions maintained includes personal funds that the filer intends to use for political expenditures only if the funds have been deposited in an account in which political contributions are held as permitted by Election Code §253.0351(c).

(c) For purposes of Election Code §254.031(a-1), the difference between the total amount of political contributions maintained that is disclosed in a report and the correct amount is a de minimis error if the difference does not exceed:

- (1) \$250; or
- (2) the lesser of 10% of the amount disclosed or \$2,500.

§20.51. Value of In-Kind Contribution.

(a) For reporting purposes, the value of an in-kind contribution is the fair market value.

(b) If an in-kind contribution is sold at a political fundraiser, the total amount received for the item at the fundraiser must be reported. This reporting requirement is in addition to the requirement that the fair market value of the in-kind contribution be reported.

(c) If political advertising supporting or opposing two or more candidates is an in-kind contribution, each person benefiting from the contribution shall report the amount determined by dividing the full value of the political advertising by the number of persons benefited by the political advertising.

§20.52. Description of In-Kind Contribution for Travel.

The description of an in-kind contribution for travel outside of the state of Texas must provide the following:

- (1) The name of the person or persons traveling on whose behalf the travel was accepted;

- (2) The means of transportation;
- (3) The name of the departure city or the name of each departure location;
- (4) The name of the destination city or the name of each destination location;
- (5) The dates on which the travel occurred;
- (6) The campaign or officeholder purpose of the travel, including the name of a conference, seminar, or other event.

§20.53. Disclosure of True Source of Contribution or Expenditure.

A person may not knowingly make or authorize a political contribution or political expenditure in the name of or on behalf of another unless the person discloses the name and address of the person who is the true source of the contribution or expenditure.

§20.54. Reporting a Pledge of a Contribution.

- (a) The date of a pledge of a contribution is the date the pledge was accepted, regardless of when the pledge is actually received.
- (b) Except as provided by subsection (c) of this section, a pledge of a contribution shall be reported on the appropriate pledge schedule for the reporting period in which the pledge was accepted and shall be reported on the appropriate receipts schedule for the reporting period in which the pledge is received.
- (c) A pledge of a contribution that is actually received in the reporting period in which the pledge was accepted, shall be reported on the contribution schedule or the loan schedule, as applicable, and in accordance with subsection (a) of this section.
- (d) The effective date of this rule is January 1, 2015.

§20.55. Time of Accepting Contribution.

- (a) A candidate, office holder, or political committee shall make a determination to accept or refuse a political contribution not later than the end of the reporting period during which the contribution is received, except as provided by subsection (e) of this section.
- (b) A determination to refuse a political contribution is a distinct act from returning a political contribution and may occur at a different time.
- (c) If a determination to accept or refuse a political contribution is not made before the end of the reporting period during which the contribution is received, the contribution is considered to have been accepted on the last day of that reporting period.
- (d) A political contribution that is received but not accepted shall be returned to the contributor not later than the 30th day after the deadline for filing a report for the reporting period during which the contribution is received. A contribution not returned within that time is considered to be accepted.

(e) A determination to accept or refuse a political contribution received during a special legislative session shall be made not later than the third day after the date the contribution is received.

§20.56. Expenditures to Vendors.

(a) A political expenditure made by a vendor for a candidate, officeholder, political committee, or other filer, with the intent to seek reimbursement from the filer, shall be reported by the filer in accordance with this chapter as though the filer made the expenditure directly.

(b) A vendor of a candidate, officeholder, or specific-purpose committee may not, in providing goods or services for the candidate, officeholder, or committee, make an expenditure that, if made by the candidate, officeholder, or committee, would be prohibited by §§253.035, 253.038, or 253.041, Election Code.

(c) A candidate, officeholder, or specific-purpose committee may not use political contributions to pay or reimburse a vendor for an expenditure that, if made by the candidate, officeholder, or committee, would be prohibited by §§253.035, 253.038, or 253.041, Election Code.

§20.57. Time of Making Expenditure.

(a) The date of a political expenditure is the date the amount is readily determinable by the person making the expenditure, except as provided by subsection (b) of this section.

(b) If under normal business practices, the amount of an expenditure is not known or readily ascertainable until receipt of a periodic bill, the date of the expenditure is the date the bill is received. Examples of expenditures to which this subsection is applicable are expenditures for use of electricity or for long-distance telephone calls.

(c) A political expenditure by credit card made during the period covered by a report required to be filed under Section 254.064(b) or (c), 254.124(b) or (c), or 254.154(b) or (c) of the Election Code, must be included in the report for the period during which the charge was made, not in the report for the period during which the statement from the credit card company was received.

(d) A political expenditure by credit card made during a period not covered by a report listed under subsection (c) of this section, must be included in the report for the period during which:

(1) the charge was made; or

(2) the person receives the credit card statement that includes the expenditure.

§20.58. Disclosure of Political Expenditure.

(a) An expenditure that is not paid during the reporting period in which the obligation to pay the expenditure is incurred shall be reported on the Unpaid Incurred Obligations Schedule for the reporting period in which the obligation to pay is incurred.

(b) The use of political contributions to pay an expenditure previously disclosed on an Unpaid Incurred Obligations Schedule shall be reported on the appropriate disbursements schedule for the reporting period in which the payment is made.

(c) The use of personal funds to pay an expenditure previously disclosed on an Unpaid Incurred Obligations Schedule shall be reported on the Political Expenditure Made from Personal Funds Schedule for the reporting period in which the payment is made.

(d) The effective date of this rule is January 1, 2015.

§20.59. Reporting Expenditure by Credit Card.

(a) A report of an expenditure charged to a credit card must be disclosed on the Expenditures Made to Credit Card Schedule and identify the vendor who receives payment from the credit card company.

(b) A report of a payment to a credit card company must be disclosed on the appropriate disbursements schedule and identify the credit card company receiving the payment.

§20.60. Reporting Political Expenditures for Processing Fees.

(a) Multiple political expenditures made to a single payee during a reporting period for fees to process political contributions may be itemized as a single expenditure, in an amount equal to the combined total amount of the expenditures, if all the expenditures are made to a single payee for the same purpose.

(b) The purpose of an expenditure reported under subsection (a) of this section must include the dates of the first and last of the multiple expenditures made to a single payee during the reporting period.

(c) For reporting purposes, the date of an expenditure reported under subsection (a) of this section is the date of the first expenditure made to the payee during the reporting period, as provided by §20.57 (Time of Making Expenditure) of this title.

§20.61. Purpose of Expenditure.

(a) For reporting required under §254.031 of the Election Code, the purpose of an expenditure means:

(1) A description of the category of goods, services, or other thing of value for which an expenditure is made. Examples of acceptable categories include:

- (A) advertising expense;
- (B) accounting/banking;
- (C) consulting expense;
- (D) contributions/donations made by candidate/officeholder/political committee;
- (E) event expense;
- (F) fees;

- (G) food/beverage expense;
- (H) gifts/awards/memorials expense;
- (I) legal services;
- (J) loan repayment/reimbursement;
- (K) office overhead/rental expense;
- (L) polling expense;
- (M) printing expense;
- (N) salaries/wages/contract labor;
- (O) solicitation/fundraising expense;
- (P) transportation equipment and related expense;
- (Q) travel in district;
- (R) travel out of district;
- (S) other political expenditures; and

(2) A brief statement or description of the candidate, officeholder, or political committee activity that is conducted by making the expenditure and an additional indication if the expenditure is an officeholder expenditure for living in Austin, Texas. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.

(3) For purposes of this section, “consulting” means advice and strategy. “Consulting” does not include providing other goods or services, including without limitation media production, voter contact, or political advertising.

(b) An expenditure other than a reimbursement to a person, including a vendor, for more than one type of good or service must be reported by the filer as separate expenditures for each type of good or service provided by the person in accordance with this rule.

(c) The description of a political expenditure for travel outside of the state of Texas must provide the following:

- (1) The name of the person or persons traveling on whose behalf the expenditure was made;
- (2) The means of transportation;

- (3) The name of the departure city or the name of each departure location;
- (4) The name of the destination city or the name of each destination location;
- (5) The dates on which the travel occurred; and
- (6) The campaign or officeholder purpose of the travel, including the name of a conference, seminar, or other event.

(d) Except as provided by subsection (e) of this section, this rule applies to expenditures made on or after July 1, 2010.

(e) The requirement to include an additional indication if an expenditure is an officeholder expenditure for living in Austin, Texas, applies to an expenditure made on or after July 1, 2014.

(f) Comments:

The purpose of an expenditure must include both a description of the category of goods or services received in exchange for the expenditure and a brief statement or description of the candidate, officeholder, or political committee activity that is conducted by making the expenditure. A description of an expenditure that merely states the item or service purchased is not adequate because doing so does not allow a person reading the report to know the allowable activity for which an expenditure was made. The following is a list of examples that describe how the purpose of an expenditure may be reported under section 20.61. This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting the purpose of an expenditure under this rule. However, it is not, and is not intended to be, an exhaustive or an exclusive list of how a filer may permissibly report the purpose of an expenditure under this rule. The rule does not require the candidate or officeholder to identify by name or affiliation an individual or group with whom the candidate or officeholder meets.

- (1) Example: Candidate X is seeking the office of State Representative, District 2000. She purchases an airline ticket from ABC Airlines to attend a campaign rally within District 2000. The acceptable category for this expenditure is “travel in district.” The candidate activity that is accomplished by making the expenditure is to attend a campaign rally. An acceptable brief statement is “airline ticket to attend campaign event.”
- (2) Example: Candidate X purchases an airline ticket to attend a campaign event outside of District 2000 but within Texas, the acceptable category is “travel out of district.” The candidate activity that is accomplished by making the expenditure is to attend a campaign event. An acceptable brief statement is “airline ticket to attend campaign or officeholder event.”
- (3) Example: Candidate X purchases an airline ticket to attend an officeholder related seminar outside of Texas. The acceptable method for the purpose of this expenditure is by selecting the “travel out of district” category and completing the “Schedule T” (used to report travel outside of Texas).
- (4) Example: Candidate X contracts with an individual to do various campaign related tasks such as work on a campaign phone bank, sign distribution, and staffing the office.

The acceptable category is “salaries/wages/contract labor.” The candidate activity that is accomplished by making the expenditure is to compensate an individual working on the campaign. An acceptable brief statement is “contract labor for campaign services.”

(5) Example: Officeholder X is seeking re-election and makes an expenditure to purchase a vehicle to use for campaign purposes and permissible officeholder purposes. The acceptable category is “transportation equipment and related expenses” and an acceptable brief description is “purchase of campaign/officeholder vehicle.”

(6) Example: Candidate X makes an expenditure to repair a flat tire on a campaign vehicle purchased with political funds. The acceptable category is “transportation equipment and related expenses” and an acceptable brief description is “campaign vehicle repairs.”

(7) Example: Officeholder X purchases flowers for a constituent. The acceptable category is “gifts/awards/memorials expense” and an acceptable brief description is “flowers for constituent.”

(9) Example: Candidate X makes an expenditure for a filing fee to get his name on the ballot. The acceptable category is “fees” and an acceptable brief description is “candidate filing fee.”

(10) Example: Officeholder X makes an expenditure to attend a seminar related to performing a duty or engaging in an activity in connection with the office. The acceptable category is “fees” and an acceptable brief description is “attend officeholder seminar.”

(11) Example: Candidate X makes an expenditure for political advertising to be broadcast by radio. The acceptable category is “advertising expense” and an acceptable brief description is “political advertising.” Similarly, Candidate X makes an expenditure for political advertising to appear in a newspaper. The acceptable category is “advertising expense” and an acceptable brief description is “political advertising.”

(12) Example: Officeholder X makes expenditures for printing and postage to mail a letter to all of her constituents, thanking them for their participation during the legislative session. Acceptable categories are “advertising expense” OR “printing expense” and an acceptable brief description is “letter to constituents.”

(13) Example: Officeholder X makes an expenditure to pay the campaign office electric bill. The acceptable category is “office overhead/rental expense” and an acceptable brief description is “campaign office electric bill.”

(14) Example: Officeholder X makes an expenditure to purchase paper, postage, and other supplies for the campaign office. The acceptable category is “office overhead/rental expense” and an acceptable brief description is “campaign office supplies.”

(15) Example: Officeholder X makes an expenditure to pay the campaign office monthly rent. The acceptable category is “office overhead/rental expense” and an acceptable brief description is “campaign office rent.”

(16) Example: Candidate X hires a consultant for fundraising services. The acceptable category is “consulting expense” and an acceptable brief description is “campaign services.”

(17) Example: Candidate/Officeholder X pays his attorney for legal fees related to either campaign matters or officeholder matters. The acceptable category is “legal services” and an acceptable brief description is “legal fees for campaign” or “for officeholder matters.”

(21) Example: Candidate/Officeholder X makes food and beverage expenditures for a meeting to discuss campaign and officeholder issues. The acceptable category is “food/beverage expense” and an acceptable brief statement is “meeting to discuss campaign/officeholder issues.”

§20.62. Reporting Staff Reimbursement.

(a) Political expenditures made out of personal funds by a staff member of an officeholder, a candidate, or a political committee with the intent to seek reimbursement from the officeholder, candidate, or political committee that in the aggregate do not exceed the amount specified by Figure 5 in 1 TAC §18.31 during the reporting period may be reported as follows IF the reimbursement occurs during the same reporting period that the initial expenditure was made:

(1) the amount of political expenditures that in the aggregate exceed the amount specified in Tex. Elec. Code §254.031(a)(3), as amended by Figure 1 in 1 TAC §18.31 and that are made during the reporting period, the full names and addresses of the persons to whom the expenditures are made and the dates and purposes of the expenditures; and

(2) included with the total amount or a specific listing of the political expenditures of the amount specified in Tex. Elec. Code §254.031(a)(5), as amended by Figure 1 in 1 TAC §18.31 or less made during the reporting period.

(b) Except as provided by subsection (a) of this section, a political expenditure made out of personal funds by a staff member of an officeholder, a candidate, or a political committee with

the intent to seek reimbursement from the officeholder, candidate, or political committee must be reported as follows:

- (1) the aggregate amount of the expenditures made by the staff member as of the last day of the reporting period is reported as a loan to the officeholder, candidate, or political committee;
- (2) the expenditure made by the staff member is reported as a political expenditure by the officeholder, candidate, or political committee; and
- (3) the reimbursement to the staff member to repay the loan is reported as a political expenditure by the officeholder, candidate, or political committee.

§20.63. Reporting the Use and Reimbursement of Personal Funds.

- (a) A candidate is required to report a campaign expenditure from his or her personal funds.
- (b) An officeholder is not required to report an officeholder expenditure from his or her personal funds unless he or she intends to be reimbursed from political contributions.
- (c) A candidate or officeholder must report a political expenditure from his or her personal funds using one of the following methods:
 - (1) As a political expenditure made from personal funds reported on the political expenditure made from personal funds schedule;
 - (2) As a loan without depositing the personal funds in an account in which political contributions are held. The amount reported as a loan may not exceed the total amount actually spent in the reporting period. A political expenditure made from these funds must also be reported as a political expenditure made from political funds, not as made from personal funds; or
 - (3) If the candidate or officeholder deposits personal funds in an account in which political contributions are held, he or she must report that amount as a loan with an indication that personal funds were deposited in that account. A political expenditure made from an account in which political contributions are maintained must be reported as a political expenditure made from political funds, not as made from personal funds.
- (d) A candidate or officeholder who makes political expenditures from his or her personal funds may reimburse those personal funds from political contributions only if:
 - (1) the expenditures were fully reported using one of the methods in subsection (c) of this section on the report covering the period during which the expenditures were made; and
 - (2) if the method in subsection (c)(1) of this section was used, the report disclosing the expenditures indicates that the expenditures are subject to reimbursement.
- (e) A candidate's or officeholder's failure to comply with subsection (d) of this section may not be cured by filing a corrected report after the report deadline has passed.

(f) A candidate or officeholder who has complied with subsection (d) of this section and whose personal funds have been reimbursed from political contributions must report the amount of the reimbursement as a political expenditure in the report covering the period during which the reimbursement was made.

(g) Section 22.21 of this title (relating to Additional Restrictions on Reimbursement of Personal Funds and Payments on Certain Loans) set limits on the amount of political expenditures from personal funds that a statewide officeholder may reimburse from political contributions.

§20.64. Reporting the Forgiveness of a Loan or Settlement of a Debt.

(a) The forgiveness of a loan to a candidate, officeholder, or political committee is a reportable in-kind political contribution unless the loan does not constitute a contribution under §251.001(2) of the Election Code, and the forgiveness of the loan was made in the due course of business.

(b) The settlement of a debt owed by a candidate, officeholder, or political committee is a reportable in-kind political contribution unless the creditor is a commercial vendor that has treated the settlement in a commercially reasonable manner that reflects the usual and normal practice of the industry, and is typical of the terms the commercial vendor offers to political and non-political persons alike.

§20.65. Reporting No Activity.

(a) As a general rule, a candidate or officeholder must file a report required by Subchapter C of this chapter (relating to Reporting Requirements for a Candidate) or Subchapter D of this chapter (relating to Reporting Requirements for an Officeholder Who Does Not Have a Campaign Treasurer Appointment on File), even if there has been no reportable activity during the period covered by the report.

(b) This general rule does not apply to:

(1) special pre-election reports;

(2) special session reports; or

(3) a local officeholder who does not have a campaign treasurer appointment on file and who does not accept more than the aggregate amount of political contributions or make more than the aggregate amount of political expenditures specified in Tex. Elec. Code §254.095, as amended by Figure 1 in 1 TAC §18.31 during the reporting period.

(c) If a required report will disclose that there has been no reportable activity during the reporting period, the filer shall submit only those pages of the report necessary to identify the filer and to swear to the lack of reportable activity.

§20.66. Discounts.

(a) A discount to a candidate, officeholder, or political committee is an in-kind political contribution unless the terms of the transaction reflect the usual and normal practice of the industry and are typical of the terms that are offered to political and non-political persons alike, or unless the discount is given solely in order to comply with §253.041 of the Election Code.

(b) The value of an in-kind contribution in the form of a discount is the difference between the fair market value of the goods or services at the time of the contribution and the amount charged.

§20.67. Reporting after the Death or Incapacity of a Filer.

(a) The responsibility to file reports required by this title survives the death or incapacity of a candidate or officeholder.

(b) The legal representative or the estate of a candidate or officeholder who has died, or the legal representative of a candidate who is incapacitated, shall file any reports due under Subchapter C of this chapter (relating to Reporting Requirements for a Candidate) or Subchapter D of this chapter (relating to Reporting Requirements for an Officeholder Who Does Not Have a Campaign Treasurer Appointment on File).

Subchapter C. REPORTING REQUIREMENTS FOR A CANDIDATE

§20.201. Required Appointment of Campaign Treasurer.

A candidate must file a campaign treasurer appointment before accepting any campaign contributions or making or authorizing any campaign expenditures, including campaign expenditures from personal funds.

§20.203. Candidates for State Party Chair.

Because the state chair of a political party does not hold a public office, a candidate for state chair of a political party is not within the definition of “candidate” set out in §20.1(4) of this title (relating to Definitions). Nonetheless, a candidate for the state chair of a political party is subject to filing requirements as provided by Subchapter J of this chapter (relating to Reports by a Candidate for State Party Chair).

Each candidate’s campaign treasurer appointment shall include the following information:

§20.206. Transfer of Campaign Treasurer Appointment.

- (a) If a candidate who has filed a campaign treasurer appointment decides to seek a different office that would require the appointment to be filed with another authority, a copy of the appointment certified by the authority with whom it was originally filed must be filed with the other authority in addition to the new campaign treasurer appointment.
- (b) The original appointment terminates on the filing of the copy with the appropriate authority or on the 10th day after the date the decision to seek a different office is made, whichever is earlier.

§20.207. Termination of Campaign Treasurer Appointment.

- (a) A candidate may terminate a campaign treasurer appointment by:
 - (1) filing a campaign treasurer appointment for a successor campaign treasurer; or
 - (2) filing a final report.
- (b) A person may terminate his or her own status as campaign treasurer by immediately notifying both the appointing authority and the filing authority in writing.
- (c) If a person terminates his or her own status as campaign treasurer, the termination is effective on the date the candidate receives the notice or on the date the filing authority actually receives the notice, whichever is later.
- (d) Section 20.23 of this title (relating to Timeliness of Action by Mail) does not apply to subsection (c) of this section.

§20.209. Reporting Obligations Imposed on Candidate, Not Campaign Treasurer.

A candidate, not the candidate's campaign treasurer, is responsible for complying with this title.

§20.211. Semiannual Reports.

- (a) A candidate shall file semiannual reports as provided by this section.
- (b) One semiannual report is due no earlier than July 1 and no later than July 15.
 - (1) The period covered by a report under this subsection begins on the later of the following dates, as applicable:

Subchapter D of this chapter (relating to Reporting Requirements for an Officeholder Who Does Not Have a Campaign Treasurer Appointment on File); or

(C) the day the candidate's campaign treasurer appointment was filed, if this is the candidate's first report filed under this subchapter (other than a special pre-election report or a special session report) or Subchapter D of this chapter.

(2) The period covered by a report under this subsection ends on June 30.

(c) One semiannual report is due no earlier than January 1 and no later than January 15.

(1) The period covered by a report under this subsection begins on the later of the following dates, as applicable:

(A) July 1;
